Heat Pump Training Courses

A new generation of heat pumps
DESIGNED FOR EARTH

Training Courses

The NIBE Training Academy, based in Chesterfield, Derbyshire, was established to offer a range of heat pump courses. There are two levels of training available for the Ground Source Heat Pumps and Air to Water Heat Pumps and NIBE offer a separate course for the NIBE Exhaust Air Heat Pumps.

NIBE VIP Installers

NIBE run a VIP Installer programme for installers that have attended our level 1 and level 2 courses, and that can meet certain other criteria, which then entitles the installer to added benefits.

For further information, please contact our office on 0845 095 1200 or email info@nibe.co.uk

Exhaust Air Training

This one day course is aimed at plumbers and heating engineers only and gives a thorough understanding of the NIBE Exhaust Air Heat Pump Technology.

The Training Comprises of:

- Introduction to NIBE Exhaust Air Heat Pumps
- Ventilation requirements
- Ducting
- Range of NIBE Exhaust Air Heat Pumps
- Commissioning and Adjusting
- Docking Options
- Sizing and Quoting
